Individual mouth tip operation manual

Persona

This stylish accessory will give you aesthetic pleasure and comfort when smoking a hookah with your friends.

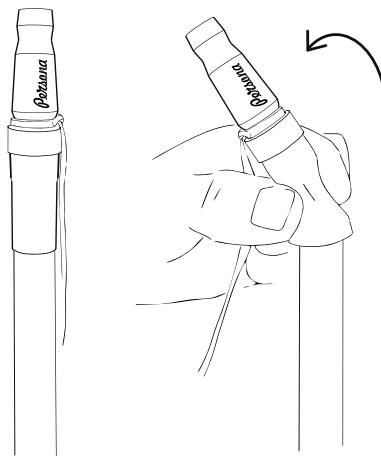

Persona

- A stylish accessory that will accentuate your personality.
- Medical grade stainless steel with engraved MattPear logo.
- Soft Touch silicone connector with universal diameter.
- Leather strap as a little extra.

Operating tips

- Before using the mouth tip for the first time, rinse it under running water and check that there are no metal shavings inside.
- Do not use abrasive products to clean the mouth tip.
- Do not wash the connector and strap in the dishwasher.
- Before using alkaline and acidic cleaning agents, check the metal reaction in an inconspicuous area of the accessory.
- To disconnect the individual mouth tip from the tube correctly, press the soft connector, bend it slightly so that the connector and tube form a right angle, then gently pull the tube out without using any force.
